“The Walk: Five Essential Practices of the Christian Life”

The Old Testament of the Bible is filled with references to God walking in our midst, searching for us, and *beckoning us to walk with Him*.

In the New Testament, we are instructed to be followers of Jesus. To seek to learn from Him, to emulate Him, to go where He wants us to go, to do what He wants us to do, and *to walk on the journey of life with Him*.

Our spiritual health is not dissimilar to our physical health. Without spiritual exercises or practices, we will find it difficult to keep up as Christ calls us to follow.

This 40-day Lenten study focuses on building up five spiritual practices: *worship and prayer, study, serving, giving, and sharing our faith* as ways to deepen our walk with Christ. At Hope Ridge, we are offering ways to ‘work out’ together with other Christians, as well as tools to ‘stay fit’ individually with the goal of making these practices a regular—DAILY—part of our lives.

The 6-week study will cover:

1. Worship & Prayer: A Living Hallelujah
2. Study: The Importance of Listening and Paying Attention
3. Serve: Here I Am, Lord, Send Me
4. Give: Where Your Treasure Is
5. Share: Going Fishing, Reflecting Light
6. The Five Practices from the Cross
