Parent Newsletter
October 2020

Dear Parents,

Welcome to all. I hope children and parents are settling into the “school routine” after the much more relaxed days of summer. I have already seen changes in the children. They are becoming familiar with classroom routines and building trust with the adults that work with them. I never tire of watching this transformation.

Thank you for your patience at drop off and pick up. We are settling into a routine as well. Please make sure that your child uses the restroom before you leave to come to school. As the weather gets bad outside we will continue to use the same system but the children will be waiting inside the building. With the use of walkie talkies, we will radio for your child.

Thank you for your understanding of our sick policy as well. Remember if your child has a cough, sore throat, difficulty breathing, loss of taste or smell, has traveled (to a state that recommended quarantine) or has been exposed to covid 19 please keep your child home and call us for further instructions and necessary documentation for return to school

Individual pictures will be taken by MK Photography on October 28 & 29. A brochure with more information will be sent home in a few weeks – watch your child’s book bag for this info.

Looking Ahead:

10/6 & 10/7 Fire Department visit outside
10/9 **NEOEA Day, NO SCHOOL**
10/28 & 29 Pictures by MK Photography

Thank you to all parents for their timely payment of tuition. As a reminder, the payment that was made in September was for the **first (Sept.) and last (May)** months’ tuition. There is often confusion about that amount. The October payment is due the first week of the month; a monthly payment is then due through April.

If you have any questions please feel free to contact me. Don’t forget to visit our website and like us on Facebook for updates.

Have a fun month!

Nikki Davis,
Director
