November 2020

Dear Parents,

Wow, October is over and November and the cold air is here. I am getting excited for the days to come as we get closer to Christmas. This year is so different and many families are already getting ready for Christmas. I wanted to share with you what my family has chosen to do. While 2020 has been an incredibly difficult year for many families, there is so much for us to be thankful for. This month my family is choosing to celebrate Thankfulness up until Thanksgiving. We have a calendar and each day has a task for us to do. Some days it's a task to do for others, some days it's to help us reflect on our blessings. Each evening we write down what we are thankful for on a pumpkin. I encourage you to celebrate Thankfulness this month in your own home.

Thank you for your patience at drop off and pick up. We are settling into a routine as well. Please make sure that your child uses the restroom before you leave to come to school. As the weather gets bad outside, we will continue to use the same system but the children will be waiting inside the building. With the use of walkie talkies, we will radio for your child.

Thank you for your understanding of our sick policy as well. Remember if your child has a cough, sore throat, difficulty breathing, loss of taste or smell, has traveled (to a state that recommended quarantine) or has been exposed to covid 19, to please keep your child home and call us for further instructions and if necessary documentation for return to school

Looking Ahead:

11/2/2020 (No School) - Teacher Inservice Day

11/25-29/2020- Thanksgiving Break

Thank you to all parents for their timely payment of tuition. As a reminder, November's payment is now due.

If you have any questions, please feel free to contact me. Don't forget to visit our website and like us on Facebook for updates.

Have a fun month!

Nikki Davis,
