

Dear Hope Ridge Families,

Happy November! As I take a moment to pause in gratitude for the blessings surrounding us, I find myself overwhelmed with joy and thanks to be a part of this special school. The staff at Hope Ridge creates a daily environment which is welcoming, enriching, supportive, and fun. The POPS group is continually impressing me with their commitment to our program and student opportunities. Our families are wonderful, and the larger Hope Ridge community and church is incredibly supportive of the Preschool, acknowledging the importance of early childhood education in our community. I have found my first couple of months as the director here as a wonderful blessing. In short, I am GRATEFUL!

The beauty of the autumn leaves is always accompanied by the less welcome drop in temperature! We will use the playground as long as the weather allows us to comfortably do so. It is helpful if students bring in warm coats, hats and mittens/gloves to guard against the chillier air. Please label jackets and accessories with your child's name. I have heard conflicting predictions on the severity of our winter weather, but please be reminded that Hope Ridge will close if either Riverside or Mentor School Districts close due to dangerous weather conditions.

If you (or someone you know) are interested in participating in our Mom and Me class, now is the time to register! This class will meet on Monday's beginning again in January.

I hope each of you have a wonderful month of thankfulness and get to enjoy the beauty that this season brings. I am so thankful for the opportunity to be a small part of your lives. Happy Thanksgiving.
